GENERAL INFORMATION ON CHILD AND YOUNG ADULT LANGUAGE PROGRAMS:

CURRICULUM OVERVIEW:

We use an activities based approach to teaching language that includes songs, music, games, visual and dramatic arts and sports, all of which emphasize oral and listening communication, development of vocabulary, and correct pronunciation. Reading and writing exercises are also included in the instruction where appropriate. The students learn about cultural aspects the language and often have the opportunity to interact with visitors from other countries and expand their global awareness.

FORMAT:

- Family programs, Language Clubs and Teen classes are usually organized in quarterly sessions that meet once per week for 1.5 hours.
- Family programs are intended for multi-generational attendance; preschool-age children, with an adult family member and other siblings can attend together. These are available as ongoing programs, weekend mini-camps and summer immersion camps.
- Language Clubs for elementary to middle school age children are usually staged after school or on Saturday mornings.

Young Adult Classes:
